## Letter of No Objection for marine use of Bardahl Naval Cyl SAE50 Cylinder lube oil

Dear Mr Gutierrez

Based on the information supplied by Bardahl on the Bardahl Naval Cyl SAE50 cylinder lube oil (same additive package and base stock as Lubrizol OS152426), MAN B&W Diesel A/S has no objection that Bardahl Naval Cyl SAE50 is used in a two-stroke marine engine.

The 4000hrs field test of OS152426 was carried out on a 10K98MC-C engine with supervision of MAN B&W and inspection of engine condition at the start and end of tests in accordance with the guidelines stated in the MAN B&W Document "Cylinder & System Lubricating Oil Qualities and New Engine Development".

As the lube oil is neither produced nor sold by MAN B&W, MAN B&W cannot be kept responsible for any damage to engines or engine components that may be caused by the use of a lube oil.

Kind regards,  
MAN B&W Diesel A/S

  
Charlotte Røjgaard
